Part I: Details of dispatched consignment	I.1. Consignor/Shipper/Owner: Name:		I.2. Certificate reference number *:			
	Address:		I.3. a. Central competent authority: Federal Food Safety and Veterinary Office FSVO			
			I.3. b. Cantonal competent authority:			
	I.4. Consignee/Broker/Owner Name:		I.5. Country of Export: Switzerland: ISO Code: CH			
	Address:		I.6. Country of Destination: United States of America I.6.1. State of Destination:			
			I.7. Premise before immediate export			
			I.8. Port of Embarkation / Border Crossing:			
	I.9. Place of origin: Name:		I.10. Date of Shipment:			
	Address:		I.11. Date of Veterinary Inspection:			
	Approval number of establishment(s):		I.12. Identification of container/seal number:			
I.13. Means of transport: Aeroplane ☐ Ship ☐ Railway wagon ☐ Road vehicle ☐ Other ☐ Identification: Documentation references:		I.14. Description of Commodity: Commercial Birds				
		I.15. Commodities Intended Use: Commercial ☒				
		I.16. Total quantity: Note: Shipments that consist of five or fewer birds may be considered pet bird shipments.				
I.17. Total Number of Shipping Containers:		I.18. Commodity code (HS code):				
I.19. Identification of the animal(s) ⁽¹⁾ :						
Species (Scientific name)	Breed	Identification system	Identification number/ details	Age	Sex	

⁽¹⁾ If necessary, extra tables can be attached as annex by the consignor and should be approved and stamped by the Cantonal Competent Authority

* Indicated by the cantonal competent authority.

Swiss approved form No. A-2026-01

	Switzerland	Commercial Birds
	II. Sanitary information	Certificate reference number*:
Part II: Sanitary information	The official veterinarian certifies for export that all commercial birds covered under this health certificate were inspected by the examining veterinarian issuing the health certificate and: 1. ☐ During the 90 days prior to export, the commercial birds to be exported have continuously been under my supervision. OR ☐ The commercial birds have not resided in the country of export for 90 days prior to export and I have reviewed health certificate(s) endorsed by the competent authority for animal health of the additional county or countries and confirmed that the conditions specified in this certificate were met during the full 90 days.¹ OR ☐ The commercial birds have resided on multiple premises in the country of export during the 90 days prior to export and I have reviewed health certificates(s) endorsed by an authorized veterinarian or the competent authority of animal health confirming that the conditions specified in this certificate were met during the full 90 days.¹ 2. The commercial birds were not vaccinated against any H5 or H7 subtype of avian influenza. 3. The commercial birds presented no evidence of communicable disease of poultry within the 30 days prior to export. 4. The commercial birds do not originate from, nor have they transited through, any region which APHIS considers affected with highly pathogenic avian influenza (HPAI). 5. The commercial birds were not exposed to active cases of HPAI or Newcastle disease, or other communicable disease of poultry, on the premises where they were kept, or on adjoining premises, during the 90 days immediately preceding export. 6. The commercial birds (<i>choose option below</i>): ☐ Were not vaccinated against Newcastle disease (avian paramyxovirus). OR ☐ Were vaccinated against Newcastle disease at least 21 days prior to export using vaccines that do not contain any velogenic strains of Newcastle disease virus. <i>Date Vaccinated:</i> _____ <i>Name/Manufacturer of the Vaccine:</i> _____ 7. The commercial birds were not commingled with birds or poultry of lesser health status than specified on this certificate. 8. The commercial birds were placed in new or appropriately sanitized packaging materials at the premises from which the birds were to be exported. ¹ All documentation forming the basis certification of the conditions specified in this certificate must remain with the competent authority of animal health of the country of export for a minimum of three years and will be made available upon APHIS request. *****Certificate shall be valid for 30 days from date of issue*****	

* Indicated by the cantonal competent authority.
