Veterinary Services

Last Modified:

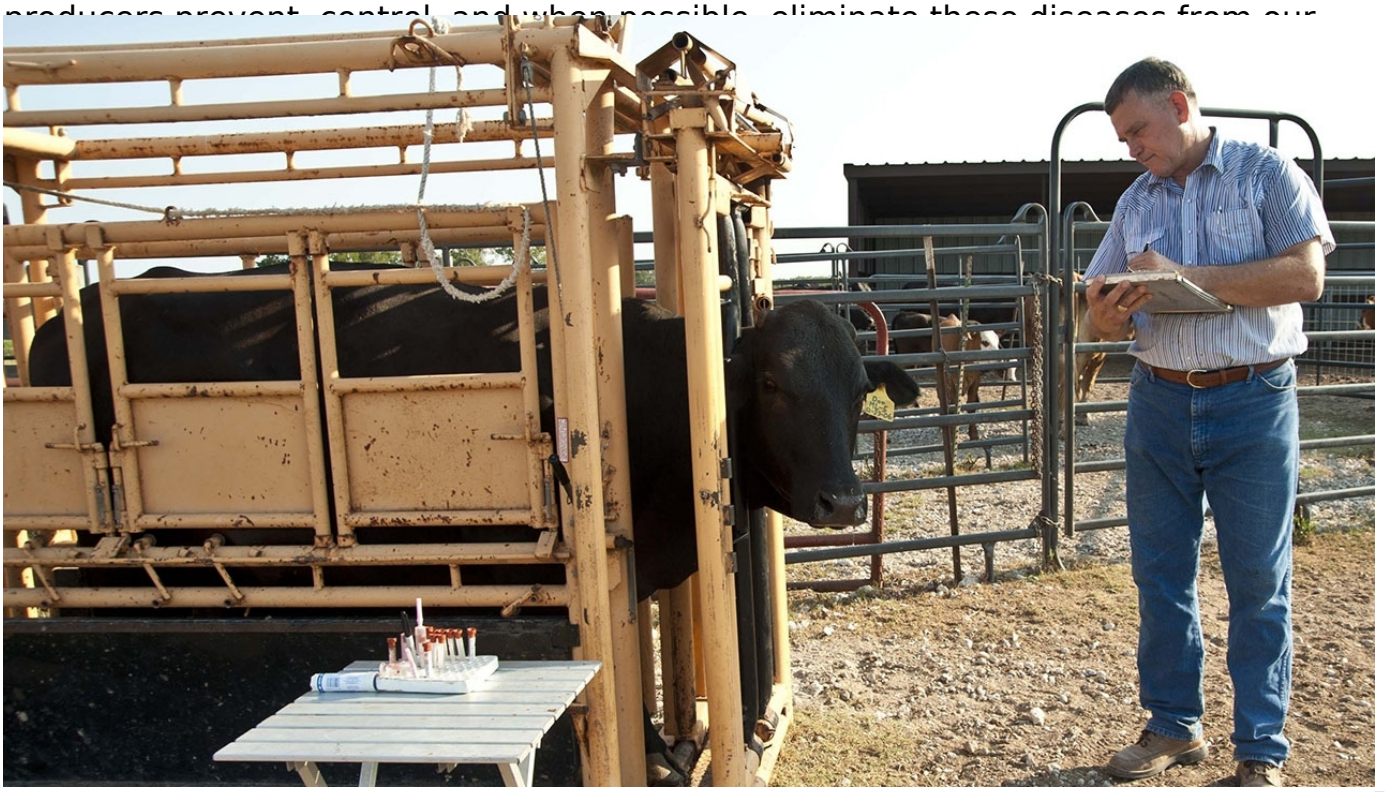

APHIS Veterinary Services (VS) protects and improves the health, quality, and marketability of our Nation's animals, animal products, and veterinary biologics. Our experts work with partners across many disciplines, both domestically and globally, to protect American agriculture.

Learn more about our organization and the authorities under which we work.

Priorities

Protecting U.S. Livestock From Diseases

We protect against diseases that could harm the health, quality, or marketability of our Nation's agricultural animals. With a vast network of partners, we help U.S. producers prevent, control, and when possible, eliminate these diseases from our

Diagnostic Testing and Services

We protect against diseases that could harm the health, quality, or marketability of our Nation's agricultural animals. With a vast network of partners, we help U.S. producers prevent, control, and when possible, eliminate these diseases from our country.
