NCAH Portal Training Videos

Last Modified:

Access to the NCAH Portal requires a Login.gov account.

To access CVB submissions on the NCAH Portal, users must have a **verified identity** account with Login.gov, which uses multifactor authentication to enhance security.

For assistance with issues related to your Login.gov account, please contact Login.gov directly, as the CVB is unable to assist with these matters.

Below are links to help you through this process.

- Login.gov Help
- Verify your identity with Login.gov
- eAuthentication Frequently Asked Questions (FAQs)
- NCAH Portal User Guides

The following videos will show you how to use the NCAH Portal for different tasks. For more help, refer to the associated User Guides. Some of these videos have audio, as indicated in the table below.
