WS Leads Wildlife Damage Management Presentation at Salish Kootenai College

[Print](#)

On June 30, 2025, in Pablo, MT, APHIS Wildlife Services (WS) staff led a presentation at Salish Kootenai College. The presentation delivered a better understanding of APHIS and WS concerning livestock predation, disease threats, crop losses, property damage, wildlife damage management, and research. The objective was to share the important work APHIS contributes to protecting our agriculture and natural resources.
