USDA Launches Screwworm.gov, Centralizing New World Screwworm Information Across the Federal Government

[Print](#)

WASHINGTON, D.C., November 21, 2025—Today, the U.S. Department of Agriculture (USDA) is excited to highlight the launch of the **new** unified New World screwworm (NWS) website, screwworm.gov. This dynamic new site centralizes NWS information

available across the federal government and reflects our whole-of-government effort to fight this pest through implementation of Secretary Rollins' comprehensive [five-pronged plan](#) .
