RE: AWA Registration Application Packet

Dear Applicant:

Thank you for your interest in obtaining a registration under the U.S. Department of Agriculture's (USDA) Animal Care (AC) program. Included in this packet are the required forms and information you will need to complete your application. Prior to submitting your application, we recommend using our Licensing and Registration Assistant to ensure your operation meets our requirements and receive guidance on what class of registration you require.

The application process generally takes 30 days to complete from the time the application is submitted to a certificate being issued. Incorrect and/or incomplete applications can cause delays in the registration process. Once the application has been processed, a field inspector will be assigned to your facility, and full compliance will need to be demonstrated during all inspections.

Please visit our website for additional information and a complete copy of the Animal Welfare Act and regulations. Please note that by signing the application form, you are acknowledging that you have reviewed and understand the Act, regulations, and standards, and that you agree to remain in compliance at all times. Failure to maintain compliance at any inspection site could result in enforcement action against your registration, thereby impacting all inspection sites. Please feel free to contact this office if you have any questions at 970-494-7478 or via email at AnimalCare@usda.gov.

Sincerely,

U.S. DEPARTMENT OF AGRICULTURE
